

*Buying Real Silk Fabric*  
by Caroline Campbell (11 February 2021)

*Do you have the real silk?*

*We have everything  
from organic cotton  
to pure mulberry silk.*

*Look at the yarn  
at the cut edge of the fabric.*

*Is the fiber soft?*

*Real silk is premium and luxurious  
and its sheer elegance and purity  
is delicately extracted  
in a time-consuming process  
and spun into soft silk yarn.*

*Customers have big doubts  
about its purity*

*when they want to buy natural silk.*

*If you scrunch it up in your hand  
you should hear a chunching noise.*

*That should tell you  
it is high quality genuine silk.*

*Check out our silk collection today.*
